

Strategic Development Plan Projects for 2026 – 2027

OUR PUPILS	
1.1	Build a Prep School playground/Trim Trail to provide opportunities for pupils to engage in imaginative play, build core strength & explore risk taking in a safe environment
1.4	Reset and expect a high standard of personal appearance and behaviour for all pupils preparing them for life in the workplace
1.5	Take a united approach with regards to Smartphones and implement initiatives to ensure pupils stay safe on-line and maintain a positive sense of self
1.9	Consider the Endeavour Award (skills based programme) or similar independent learning initiatives for pupils in Years 7 & 8
OUR STAFF	
2.6	Implement professional school-based learning communities to encourage personal growth
2.7	Continue to review the teaching staff appraisal system to encourage sustained professional learning and growth
OUR LEARNING	
3.4	Review the provision of languages to ensure we are meeting our learners' needs yet still providing them with the cultural awareness necessary to operate in the global world
3.6	As well as reporting on attitude, review how we feed back on attainment to pupils and parents
OUR COMMUNITY	
4.2	Review and develop communication channels with parents and alumni to ensure continued effectiveness and launch the parent app to facilitate good communications
4.12	Review uniform requirements to ensure cost effectiveness for parents
OUR ENVIRONMENT	
5.1	Review our fee structure and cost base annually to ensure value for money in a competitive market place, balanced with providing the best educational opportunities and experiences for the pupils
5.2	Develop a lettings plan to maximise usage of the site to generate an alternative income stream for the school
