HELPFUL INFORMATION:

Writing Pens: The best handwriting pen is a rollerball/gel pen but cartridge pens are acceptable as these are used further up the School. A biro should not be used in neat books.

Pencil Cases: A large pencil case is recommended for keeping most of the stationery items including the 30cm ruler. A smaller pencil case could be used for keeping the colouring pens. Clear cases are easier to check and keep organized. **NO MORE THAN TWO PENCIL CASES PLEASE.**

An English Dictionary is not required. Pupils have access to a suitable dictionary in classrooms.
