Our five core values – Kindness, Honesty, Effort, Respect and Responsibility form the basis of the School Code of Conduct.

Introduction

Why does your behaviour matter?

- This is a happy, tolerant and constructive community: we want to maintain and develop this.
- We have the opportunity to study and work in a beautiful environment and we want to preserve it.
- We can only achieve our aims if all pupils think about, and work to improve, their behaviour.

We therefore place a high priority on excellent behaviour. In this, as in all areas of School life, we expect pupils to focus on the 'personal best' approach, striving for improvement.

Our School Ethos

Duke of Kent School strives for excellence, expects and celebrates effort, nurtures well-being and presents challenge. Our small size allows each pupil to be known and cared for as an individual.

We have a growth mindset, operating on the principle that all learners can, when properly challenged and supported, achieve extraordinary progress. Our focus is on achieving personal best in every aspect of development. We expect, and celebrate effort.

Duke of Kent School works in partnership with parents to support and promote all aspects of pupils' development. We prepare our pupils to play a positive role in their adult lives, as independent learners and thinkers, and to be responsible members of the local and global community.

We expect all members of the community to exercise tolerance, kindness, respect and empathy. We value diversity and pursue equal opportunities for all.

Religious Character of the School: Collective acts of worship are Christian, in the Anglican tradition, in keeping with the Christian heritage of the School; practices such as the saying of Grace before meals in the Pre-prep and Prep School, Easter and Christmas services derive from this tradition. While children learn about a variety of different religious traditions through various curricular subjects, the festivals and

ceremonies celebrated are those of the Christian tradition. Pupils of all faiths and none are welcome at our School. Parents who wish their children to be excused from participation in acts of worship, or pupils who wish to be excused, are welcome to contact the Head.

Our Aims and Expectations

- We aim to build a community in which kindness and respect are central and to pursue equal opportunities for all.
- We aim to know and care for our pupils as individuals, to promote their well-being and to respond to their needs and interests.
- We aim to offer a broad, engaging, stimulating and challenging age-appropriate curriculum to all our pupils, from Nursery to Year 11. We aim to support and challenge pupils in all areas of their development: linguistic, logical, personal, physical, social, moral, cultural and spiritual.
- We aim to develop a growth mindset in our pupils and expect pupils and teachers to focus on the 'personal best' approach, striving for improvement.
- We want our pupils to experience the joy of learning alongside their teachers, inside and beyond the classroom; we aim to equip them to be independent thinkers and learners throughout their lives.
- We aim to teach pupils to be positive, compassionate and constructive members of their local and global community, ready to face the challenges of the future, and to provide them with opportunities for teamwork, leadership, service and moral development.
- We aim to work in partnership with parents to support and promote all aspects of pupils' development.

What is expected of you?

Duke of Kent School pupils are expected to observe the following Code of behaviour and must understand that breaches of this Code will result in sanctions.

All members of our community have a part to play in building our community and must recognize that the way in which we behave affects everyone else. This Code is intended to make you safe and to teach you to be considerate towards other people and their needs. It will also show you what you can expect from other members of the community.

- If you are aware that this Code has been breached, you must tell a teacher.
- If you have any worries or concerns about your behaviour or the behaviour of others, please talk to a teacher or parent.
- If you are in doubt about whether or not your behaviour breaches the Code, you must seek advice from any member of staff.
- If you do not understand, or you disagree with, any aspect of the Code, you must talk to a member of staff.

Pupils have played an important role in helping to write our Code and you can also use School Council to discuss any changes you think we should make to our Code.

When does the Code apply?

The Code of Conduct applies: at all times when pupils are engaged in School activities, whether on or off site and whether pupils are in school uniform or 'home clothes'; when pupils are travelling to and from School; when pupils are in some other way identifiable as pupils of Duke of Kent School. Disciplining beyond the 'school gate' relates to the School's response to bad behaviour and bullying (including cyber-bullying) which occurs off the School premises and is reported to the School or is witnessed by a member of staff.

Misbehaviour at any time, whether in or out of School, that

- has repercussions for the safe running of the School

- poses a physical or psychological threat to another pupil or member of the public
- could adversely affect the reputation of the School

may be dealt with under the School Behaviour Policy and could lead to suspension or permanent exclusion.

All pupils must conduct themselves in a way that will bring credit to themselves and the School.

Consideration, courtesy and care for your environment must be the guiding principles of your behaviour.

You are expected to show common sense and to show self-discipline. If you are unhappy or have a concern of any kind, talk to somebody: Form Teachers and Heads of Section can always be contacted via the School Office but you can talk to any member of staff. Whether your problem is big or small, it will be taken seriously and we will help you to deal with it. Our rules are set out in detail in the following Code of Conduct. **You are expected to understand and follow the School Code of Conduct.**

In brief, you are expected to:

- **Respect Others** – acting kindly and helping to build a positive community
- **Respect Yourself** - presenting and organising yourself well, looking after yourself
- **Respect Property and Your Environment**
- **Report Concerns** – reporting any unpleasant behaviour, bullying or worrying situations to a member of staff
- **Put your best effort into all that you do**, in and beyond the classroom

Sexting (sending naked or indecent images of yourself or others, or sending on such images if you receive them) is not acceptable and may result in serious sanctions and investigation by the Police.

It is important that you understand what cyber-bullying is:

Cyberbullying is using the internet, email, online games or any digital technology to threaten, tease, upset or humiliate someone else. (Childline 2016)

- The School will not tolerate cyber-bullying and pupils who cyber-bully, particularly when this is repeated or aggressive in nature, can expect to be suspended or expelled from School.
- Being a 'bystander' or passing on images or messages created by cyber-bullies could itself be defined as cyber-bullying.
- If investigation of an e-safety incident suggests that a pupil's misbehaviour may be criminal or pose a serious threat to a member of the public, the Head may contact the Police.

When you have a concern or a question about

- how others are treating you in the cyber-world
- how a friend or another pupil is being treated online
- your own behaviour online

you are expected to bring this promptly to the attention of a teacher or parent so that help, support and advice can be provided. Failing to do so, is a breach of this Code.

- ii) Debits are given for minor offences such as lateness, forgetfulness and minor disobedience. For Prep pupils, two debits in one week lead to a 'Debit Detention'; this involves missing afternoon break-time. In Senior School two debits in a week also incur a detention; parents are informed when this occurs. Seniors attend Detention during Friday lunchtime. The Head of Senior School monitors senior debits. Four detentions in a single term, result in a Head's Detention. Head's Detention is run on Friday evening, by arrangement with parents, by the Head or a member of the Senior Leadership Team.

A detention may also be given at the discretion of the Head of Section.

- iv) Suspension is a temporary exclusion from School. Permanent exclusion is permanent exclusion from School. The most serious breaches of the Code of Conduct will be met with suspension or exclusion. Suspension may be 'external', in which a pupil is temporarily excluded from School premises, or 'internal', in which a pupil attends School but will be provided with an individual work and break schedule. The following offences are likely to be met with suspension (note: this list is not exhaustive but should be taken as a guide):
